Thursday 4th March 2021

Dear Parents/Carers,

In the Term 6 of this academic year, your child will be starting their Relationships and Sex Education lessons as part of our PSHE curriculum.

As a school community, we are committed to working in partnership with parents and would like the parental voice to feature within our Relationships and Sex Education lessons.

With this in mind we would ask you kindly to complete the attached short survey. Please do not feel as though you have to complete this survey, but if you wish to, we would welcome your input and comments. Completed surveys should be returned to school office before Friday 19th March 2021.

In Term 5 we will invite you to come in and meet with teachers for a coffee morning, giving you the opportunity to look at our Relationships and Sex Education resources.

If you wish to discuss this further, please feel free to contact the school at any time.

Yours sincerely,

Jilly Garland
