Uniform Policy

School uniform plays a valuable role in contributing to the ethos of the school and sets an appropriate tone. It instils pride, supports positive behaviour and discipline and encourages identity with the school. Uniform can also be useful to protect children from social pressures to dress in a particular way.

North Star 82^o has some simple conduct expectations on personal presentation. All students are expected to follow these expectations consistently and without question when on the school site *unless there are specific sensory reasons outlined in a student's EHCP or something that has been identified through a paediatric assessment:*
