• In attendance: Colton N, Finley, Jackson J, Jacob, Ruby, Dylan, Jazaiah, Mason	
Has everyone seen the minutes from the last meeting?	
First thing we are going to talk about:	
School Council Agreement	<p>We came up with a School Council Agreement together:</p> <p><i>"We are the voice of our classes. We listen, share, and work together. We take turns, respect all ideas, and are honest and kind. Our values are respect, responsibility, teamwork, kindness, and fun. Together, we promise to help make our school safe, happy, and fair."</i></p> <p>Action: Create a physical copy of the School Council Agreement for future meetings (Ruby and Dylan)</p>
Second thing we are going to talk about:	
Playground slide suggestion	<p>A member suggested a colourful spiral slide with glow-sticks inside. The council discussed that this might not be realistic as we already have a slide and it would be very expensive. The idea developed into adding a safety ramp/softer landing area at the bottom of the existing slide to make it safer and more comfortable.</p> <p>Action: Bring this suggestion to Mr. Byrne and Mr. Marsh (Jazaiah and Jacob)</p>
Third thing we are going to talk about:	
Football pitch surface	<p>A member suggested replacing the current black tarmac with fake grass. It was noted that a previous School Council may have already raised this idea.</p> <p>Action: Find out what has already been decided about this and report back at the next meeting (Mr. Shirky)</p>
Would anybody like to mention anything else?	
<p>In our next meeting we'll discuss:</p> <ul style="list-style-type: none"> • Longer break times • House plants for the school • Bring back tennis, maybe with a ball launcher • Decorate school interior more
