14th September

Jeans for Genes Week

21st September

Recycling Awareness Week

October

Black History Awareness Month

12th October

National Braille Week

Term dates 7th September to 23rd October

HIGHLIGHT of the WEEK

Sparrows class!
Excellent work, effort
and 2 weeks 100%
Attendance!

There is so much to celebrate this week!
Our pupils continue to impress us with their excellent attendance, hard work and determination, producing some fantastic work and showing real pride in their learning. It has also been wonderful to see children enjoying and succeeding in bouldering, swimming and gymnastics, demonstrating confidence, resilience and teamwork. I am extremely proud of everything they are achieving. Well done to all!

HAWKS CLASS

WEDNESDAYS

THIS WEEK @ NS82

This week in PE has been full of exciting opportunities for our pupils. The Sparrows class began their gymnastics programme, developing confidence, balance, and coordination through a range of structured activities. The Starlings enjoyed the start of their bouldering sessions at Clifton College Sports Centre, where they challenged themselves both physically and mentally while learning new climbing skills. Meanwhile, the Falcons class continued their weekly football sessions with the Bristol Rovers Community coaches, developing their teamwork, technical ability, and game understanding.

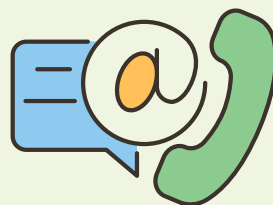

Across the rest of the school, pupils have been focusing on passing and receiving in basketball. They have been developing their understanding of when and why to pass, how to move effectively to create space, and how working together helps a team keep possession of the ball. It has been wonderful to see pupils demonstrating increasing confidence, cooperation, and skill throughout their lessons.

This week Sparrow Class got a tour of the school from some old Sparrow Class students. They pointed out all the Victorian features of our school building and we spoke about things have changed over time.
